

# This is my coloring Book

My name is: \_\_\_\_\_

# Know who to call for help!

Remember child abuse is not your fault

If anyone wants to touch you in a way that makes you feel upset, say "No" and tell someone you trust.

If you think you are being abused, talk to an adult you trust. You could talk to

- ◆ parent or relative
- ◆ friend's parent
- ◆ teacher
- ◆ spiritual leader

Keep telling people until someone believes you
